Early Years/Key Stage 1 News

What stars we have had in school this week—Nursery starters have settled very well; Reception have had their first school lunches; Year 1 have been calming with peer massage and Year 2 are yoga naturals! Amazing! Thank you for your support with home learning—many children have a stamper and book-worm for 4/5 reading comments in their books.

Please remember to bring in wellies to school.

Key Stage 2 News

What another great week in Key Stage 2! Our Year 6 children made us feel very proud when they applied for their roles for this academic year. They were all very confident and each one of them displayed how they would be a role model in our school. Hopefully the hoodies and badges will be arriving very soon! A huge well done to Year 5 who had a brilliant visit to the Angel of the North yesterday—a great visit.

Headteacher News

What a lovely way to start the week—celebrating the achievement of all the children who completed the Mini or Junior Great North Run last weekend. We had a special assembly to congratulate them and hopefully inspire more children to take part next year!

Thank you to all those who attended our Open Evening this week, it was lovely to meet you and watch the children excitedly show you around. It has also been a great pleasure looking at all of the photographs that have been sent in of children's achievements outside of school - these range from sporting achievements in football, judo dancing to climbing mountains, raising money or overcoming a fear. These are now displayed in our hall on the Achievement Display.

Our Leadership Team have been working together this week to plan events for the rest of the term and across the year. We are delighted that all of our residential for Key Stage 2 are now booked and information will be sent to parents/carers next week together with all the documentation to complete in order to reserve a place for your child.

Work on our new Early Years Garden should be complete this weekend with the installation of a canopy that will allow the children to have shelter when outside in all weathers. We are continuing to raise money to purchase equipment and resources so please continue to support us if you shop in Tesco by placing your blue tokens in the 'Lobley Hill Primary School' box. Thank you.
