Early Years/Key Stage 1 News

Reception have made their first visit to Forest School today which was made even more special by the scarecrows they saw on the way! Nursery will be joining them soon. Remember to sign up to be a Mystery Reader in Nursery and Reception.

We have been blown away by the reading in KS1 this week. It is fantastic to see so many children reading regularly at home. The children receive a stamper and a 'book worm' for 4 or more comments each week. Thank you for your support—it makes a huge difference.

Key Stage 2 News

Our school football team had their first cup matches on Thursday night. The Year 5/6 children who represented our school played incredibly well and showed great respect to the other teams. Mr Forster and Miss Hamilton were very proud of them all. Both Year 6 classes are thoroughly enjoying their tag rugby sessions with Dan Turland.

Home learning journals were excellent this week in KS2. Please remember to encourage your child to complete at least 5 comments per week. Thank you for your support.

Headteacher News

Thank you so much to everyone who came to take part in our 'Lobley Hill Scarecrows'. Great fun was had on Thursday after school by those who came to make a scarecrow, it was messy but very creative and all for a good cause. They look brilliant around our school grounds - we will keep them in place for the next week. We still have plenty straw left so if you would like to make one at home, call into our school office and collect a bag of straw. Thank you for all of your kind donations for Harvest - these will be shared between our food co-op and 'The Source' which is run by Mr Beattie's dad. We are extremely grateful.

Another highlight of my week has been watching Year 1 in their gymnastics lesson - the children have been learning how to do a back support and how to put together a short routine and coach each other. Their listening and co-operation skills were outstanding. Well done Year 1.

Please can I take this opportunity to remind all parents and carers that children are not permitted to play in the school grounds or on our equipment before school starts or at the end of the school day. We would also appreciate if you would refrain from using mobile phones during drop off and collection from school. Thank you.
