Calling all friends of Lobley Hill Primary School. We need your help!

We are looking to revive our allotment, which has become overgrown over the last few years. Gardening and growing things is both educational and healthy for our children, and they also gain an 'outside classroom'

So how can you help?

On **Wednesday 11th March**, you can come and do some tidying of the allotment. We will start as soon as you have dropped your children off. Even if you can only do half an hour that would be great. It will involve digging allotment beds, weeding and generally preparing the area so your children can start growing their own produce. If you can bring your own tools that would be very helpful. If you are not able to help on that day, any donations of gardening tools, plants, seeds, pots and seed trays would be gratefully accepted. With your support, we can get School growing again!

Looking forward to seeing you.

Termly Dates for Diary on reverse

It has been another busy week in school. A huge well done to everyone who made it into school during the sudden snow showers on Monday morning; most children were in school so thank you to all parents/carers for your perseverance.

The book fair has been very popular before and after school this week. Thank you so much to everyone who has bought something to help us reach our target of £600. The book fair will still be here on Monday morning before school, so there is still time to visit. Please remember that next Thursday is World Book Day. We are promoting reading before bed time so to celebrate this children are allowed to wear their pyjamas for school. Just a reminder that your child needs to wear their school uniform if they aren't wanting to participate in this.

Parental Consultations are taking place next Wednesday, it is essential that all parents/carers meet with their child's teacher during this week. Many thanks for your co-operation with this.

ECO TIP: Change one thing at a time. Can you use bars of soap rather than new plastic bottles? Or refill your bottles from a refill shop?
