

1 October 2021

Dear Parent/Carer

On Wednesday 13 October, the Durham Wildlife Trust have invited the Year 6 pupils to visit Beggarswood. This will be a continuation of the work they carried out in Y5 which focused around 'woodland habitats', the trees, other plants and animals found in woodland. The Trust will work with Mrs Warren's class in the morning and Miss Stephenson's class in the afternoon. This will be followed later in the term with a tree planting session.

Mrs Warren's class will leave school around 9.15am and will be returning before lunch and Miss Stephenson's class will leave school (after an early lunch) around 12.15pm and return before the end of the school day. They will need to wear sensible walking shoes, waterproof coat and bring a waterbottle.

Yours faithfully

Johanna James
Headteacher
