

Headteacher - Mrs Rachel Hocking

27 November 2025

Dear Parents/Carers

Next year we have organised the Year 6 residential to Robinwood and we believe that it will be a wonderful experience for the children. We were delighted with the company when we used them in March 2025 and the professionalism shown throughout that visit.

The provisional dates of the residential will be Wednesday 7 – Friday 9 October 2026.

Cost: £290.00

In order, to ensure that the cost of the visit can be lowered significantly, we would like to work with our children and parents to look at a couple of fundraising events between now and then. A meeting has been organised with Miss Jobling, our Family Support Worker, in the new year and a date will be sent out. This will be an informal discussion to share ideas and organise dates for events.

We would need one deposit of £20 for each child paid by Monday 15 December. Please contact school if you have any issues/problems with this payment before the Christmas holidays. Any payments can be made through Eduspot; please email Mrs Turland if you have any issues with this: karenturland@lobleyhillprimary.org.uk. Please also note that deposits will be non-refundable. Regular or monthly payments can be made via this site, to help spread the cost of the visit.

If your child is in receipt of free school meals then school can help with some of the cost. Please contact Mrs Turland to discuss this further.

If you have any questions or queries regarding the residential visits, please contact the school office and we will endeavour to help.

Yours faithfully

Rachel Hocking
Headteacher
