Afterschool Clubs (places allocated):

- Dodgeball Y5/6 (3:30-4:15)

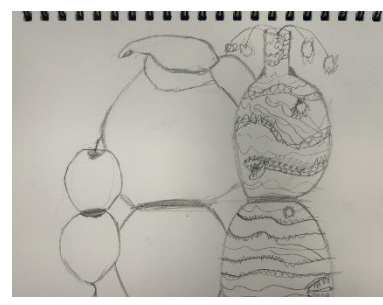

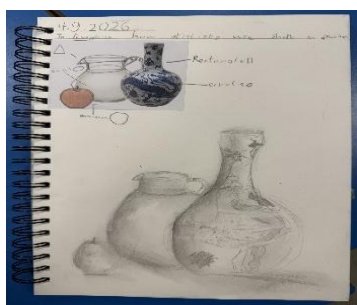

Fri 18th September:

Elm (Miss Cook), Birch (Miss Atkinson), Juniper (Miss Thubron)

Pine Class had a fantastic first visit from Gateshead Music Service this week! The children had a wonderful time exploring the Ableton Move devices and getting creative with the brand-new Musical Nurture percussion equipment. There were lots of smiles, sounds and opportunities to experiment, create and work together. 🎧🎵 It was lovely to see the children engaging, exploring and expressing themselves through music, and we are already looking forward to seeing what musical adventures our future sessions will bring!

The children in Cedar and Fir Class have shown great enthusiasm and enjoyment as they begin their next exciting art topic. This half term, the children will be developing their sketching skills and exploring a range of techniques to bring their drawings to life. This week, they looked closely at how artists use shapes when sketching different objects. The children then took part in an observational drawing activity, thinking carefully about the shapes they could see and how they could use tone and shadow to add depth and detail to their work. We were so impressed with their concentration, creativity and attention to detail. Take a look at some of our wonderful artwork!

In Maple class, we have begun our History topic exploring the question 'What do all the Ancient Civilisations have in common?' First, we explored what is an Ancient Civilisation, who we will be studying and where in our world history these Ancient Civilisations occurred. To support our understanding of chronology, we created our own timeline by ordering the four Ancient Civilisations by date. Next, we explored where in the world these Ancient Civilisations settled, and we discovered they settled near important rivers!

When?
