Afterschool Clubs (places allocated):

- Dodgeball Y5/6 (3:30-4:15)

Fri 25th September:

Elm (Miss Cook), Birch (Miss Atkinson), Juniper (Miss Thubron)

This week in **Birch** class we have had a fantastic time doing our computing lesson. We have been recreating Henri Matisse's work in a digital format. We talked about what colours and shapes to use and how we could do this on the paint app on the iPads. Here are some amazing examples.

In **Elm** class we have done our first ever investigation in science! We looked at fresh shaving cream and explored how it looked and felt. We then observed what happened to shaving cream over 24 hours and compared the two! The fresh shaving cream was smooth and soft, but after 24 hours it was bubbly and sticky. We made so much mess but had lots of fun!

This week in **Oak** class, we have been having great fun during our indoor and outdoor PE lessons. The main focus of our outdoor games session has been to understand why we need to take turns and co-operate. We have worked in teams to play 'train station' One person was the train driver. We moved around the yard safely and stopped in a train station. We took turns being the train driver. We have also enjoyed our indoor gymnastics sessions where we have been practising exploring ways of moving using the 'big' parts of our bodies (tummy, back, side and bottom.) We have been learning to apply 'champion' gymnastics when moving.
