Willow Class have settled into the nursery environment well. They have enjoyed exploring both the indoor and outdoor areas and have started to adapt to the daily routine within the nursery setting. They particularly enjoyed their first visit to Forest School. They showed great independence when getting ready, changing into their snowsuit and wellies.

The children have settled into Reception wonderfully, and it is lovely to see so many happy, smiley faces each morning! They are becoming familiar with their new environment, learning where to find and use resources, asking for help when needed, and developing lovely friendships.

We are encouraging independence throughout the day, from choosing their own lunch to practising their name and taking part in daily fine motor activities to strengthen their fingers for writing.

Our days are filled with exciting learning! During Phonics, we are learning to read and write new sounds. In Maths Blast, we are developing our counting, 1:1 correspondence and subitising skills.

The children also enjoy Challenge Time, working in small groups with an adult, and our Plan, Do, Review sessions, where they share their ideas, make choices and reflect on their learning.

We are so proud of how wonderfully the children have settled and the confidence they are already developing. What an amazing start to Autumn 1 we have had! We are excited for all the learning and adventures still to come!

Thank you very much for your generous snack donations so far, we really appreciate your support. The donations allow us to provide the children with a variety of healthy and enjoyable snacks, as well as helping us to enhance our curriculum
