This Week in Juniper, Chestnut and Sycamore:

Juniper have made a fantastic start to their new PE unit, Boccia! We began by familiarising ourselves with this exciting Paralympic sport by watching a short video to learn more about how it is played. We then got straight into practising, taking part in a range of fun games to develop our aiming skills, accuracy and control. Everyone showed great enthusiasm, and we are looking forward to developing our Boccia skills further over the coming weeks!

This week Chestnut and Sycamore have been introduced to our new class text- Can we save the tiger? By Martin Jenkins. We have watched a persuasive advert highlighting the plight of tigers in the wild. Using emotive language, we wrote a recount recalling the effect of the advert on us as the audience. We have also written a list poem inspired by tigers' features and behaviour in the wild.
In PE we are focusing on Dance Spectrum. Throughout the half term we will choreograph a dance in line with our studies on the tiger.

Our year 6 school council representatives have embraced their role in The Poppy Appeal.
