

29 September 2022

Dear Parents/Carers

Thank you to all of you who have accepted your invitation for EvidenceMe and the parent share function. If you have not yet done this, please check your emails and let us know if you don't have it. (We may have an incorrect email address for you).

Once you have accepted your invitation, we can share some of the observations we make during your child's time with us. We will aim to share a general observation with you once a week. This might tell you what we have been doing in forest school, the stories we have been reading or the songs we have been singing. Once a fortnight we aim to send an individual observation specific to your child. Please bear with us as we get used to this parent share function.

Once you receive an observation you don't need to do anything with it but you can like or comment on it. In addition, if your child does something for the first time you can send us things from home – perhaps they have put their head under the water for the first time or cracked their balance bike. We would love to hear about it from you.

Please let us know if there are any issues we can help you with.

Also, a reminder for our Reception parents and carers. The parent workshop for Read Write Inc/Phonics takes place on Wednesday 5 October at either 9:15am or 5:15pm. We hope you can join us and look forward to seeing you there.

Hopefully you have received the dates for diary, the Winter Wonderland is for parents and carers to attend. We do our Christmas decorations as part of this event.

Yours faithfully

*Lorna Wood-Williams*
