Dear Parent/Carer

Unfortunately, it has come to our attention again, that some Key Stage 2 children have been using social media inappropriately outside of school.

We would like to encourage all parents/carers to check their child's accounts as concerns have been raised on the sharing of information on both Snapchat and Whatsapp.

Can we please remind you that the advised age is 13+ for both of these apps. We would appreciate it if you could speak to your child to ensure they are using their devices safely and put the appropriate restrictions in place.

If you have any queries regarding this issue, please contact me directly:

Thank you for your support.

Yours faithfully
