

11 July 2023

Dear Parent/Carer

This is to inform you that we have arranged to talk to the Year 6 children about "Growing Up" on Monday 17 July. We will be talking to the boys and girls separately about the following information:

- Changes with puberty
- Relationships and feelings
- Reproduction and human life cycle

The discussion will take place using video clips, a question-and-answer session, and worksheets. This session is implemented by the class teachers who are sensitive to all the children's needs and are therefore around if your child has any further questions or issues.

If you have any worries about your child taking part in this session please do not hesitate to contact me. Please contact school if you would like your child to opt out of this planned session.

Yours faithfully

Andrew Beattie
