

2 November 2023

NH Reference: NH/SE/25/10/2023

Junction 67 southbound slip road closure.

We will be fully closing the junction 67 slip road from Team Valley onto the A1 heading southbound toward the Angel of the North, from Sunday 12 November for approximately four weeks.

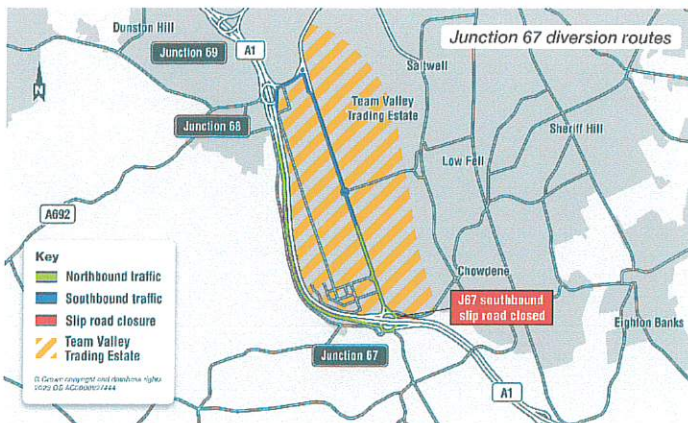

Why are you receiving this letter?

An important part of the A1 Birtley to Coal House improvement scheme is to keep all customers up to date with our progress and try to ensure you are notified in advance of any activities that may cause any disturbance or disruption. We want to capture all properties which could be affected by the work activities.

What are we doing, also when and where we'll be working?

We are working on the junction 67 slip road from Team Valley heading southbound, to realign southbound traffic onto the new Allerdene bridge. This slip road will be closed 24/7 for approximately four weeks to enable us to complete the work in as short a period as possible and reduce the disruption as much as we possibly can.

Diversion routes for all closures of the A1 have been approved by Gateshead Council and will be in place during this activity. An overview of the route is below, and you can find diversion information by using this link to the scheme website <https://nationalhighways.co.uk/our-roads/yorkshire-and-north-east/a1-birtley-to-coal-house/>.

If you have any questions for the team that you would like us to answer, please email our scheme inbox on A1BirtleytoCoalhouse@highwaysengland.co.uk or telephone the National Highways customer contact centre on 0300 123 5000 with any enquiries or concerns you may have. You can also find more information about the progress of the A1 Birtley to Coal House scheme by using this link to the scheme webpage: <https://highwaysengland.co.uk/our-work/yorkshire-and-north-east/a1-birtley-to-coal-house/>.

Yours faithfully,

Helen Burrow
Project Manager, National Highways
